

SAN FRANCISCO

**RALLY &
MARCH**
in the Mission!

When: Dec 10th, 6:00pm

Where: Rally at 24th & Mission

Why: Repeal Prop 8!
Stand up for gay marriage and
LGBT equality!

The massive, nationwide Join the Impact demonstrations for gay marriage have given voice to millions of people who support LGBT equality. The huge outpouring of anger at Prop 8's passage has convinced the California Supreme Court to promptly take multiple lawsuits that seek to repeal Prop 8. We have to keep up the public ferment and pressure, because our grassroots movement is the best hope we have for winning gay marriage in the courts and winning LGBT equality in all respects.

Bring your signs, instruments, your spouses, partners, friends, kids, parents, coworkers, your hope, anger, determination—let's show SF and the country that we won't be turned back on our march to full equality!
